

CSHP, Newfoundland and Labrador Branch
Annual General Meeting Sept 2003
Awards Committee Report

Recipients of awards through the Awards Committee program include:

Apotex PPC Travel Grant 2003:

Rosalie Snow from Carbonear.

Eli Lilly Canada AGM 2003 Travel Grant:

Given the location of the AGM the travel grant was divided to ensure as much member participation in our first National AGM as possible. Recipient of the 3 day complementary registration was John Bautista, Grand Falls Windsor. Recipients of the shared registration (one day each) were Bernadette Johnson, Dave Smith and Bud Jenkins.

The 3 day registration was drawn from interested members from outside St.John's only given that their costs for attending are greater than members inside St.John's. Plus, we wanted to ensure that we supported member attendance throughout the province.

Draws were also held for complementary tickets to the social events of the AGM with the following folks getting an opportunity to attend: Karen Hanrahan, Lori Brown, Susan Gladney-Martin, Leslie Phillips, John Hawboldt, Shawn Layman, Angie Payne, Karen LeDrew, Dion Ross and Donna Hynes-Vail.

Past-President Award:

Lisa Bishop, President Sept 2001-2003 (to be awarded at our meeting in September provided that she doesn't have her baby before then!)

On behalf of the Awards Committee I would like to extend our sincere gratitude to our industry sponsors for their continued support of our awards program.

Respectfully submitted,

Barb Thomas
