

NEWFOUNDLAND AND LABRADOR BRANCH

CANADIAN SOCIETY OF HOSPITAL PHARMACISTS

Vision 2006: A revitalized Society, the influential voice for hospital pharmacy, inspiring and supporting our members

**Nomination Committee Report
Annual General Meeting
October 1, 2004**

In May 2004, a call for nominations was made for the executive positions of President-Elect (2004-8 presidential office), Treasurer (2004-6), and Secretary (2004-6). I am pleased to report that Mike LeBlanc, Carla Dillon and Leslie Phillips were acclaimed to these positions.

We are pleased to welcome Mike LeBlanc as President-elect and Leslie Phillips as Secretary, as their commitment and experience will greatly benefit the Branch. We are happy that Carla Dillon is continuing another two-year term as Treasurer; her experience will definitely be an asset to the Branch.

With the arrival of new people in these positions, some people will be leaving the executive. On behalf of the executive, I would like to thank Scott Edwards for his commitment to the Branch over the past two years as Secretary. As well, this is the end of my term as Past-President. I am sad to leave the executive after so many years, but I will definitely continue to be involved on a Branch level. I have thoroughly enjoyed every moment that I have spent on the executive and I encourage all of you to consider serving in such a rewarding capacity. I would like to thank everyone who has supported the Branch during my term, as without your support we would not be a successful society.

Respectively Submitted,

Lisa Bishop
