

Annual Report for the CSHP/PANL Joint Education Committee

AGM September 27th, 2007

The CSHP-NL/PANL Joint Committee on Continuing Education has been meeting on a regular basis over the last year to develop and promote a number of educational programs. The committee has been jointly co-chaired by Rod Forsey and Rick Abbott until May of this year, at which point I (Jennifer Donnan) had the pleasure of replacing Rick to represent CSHP.

I would like to take this opportunity to welcome our newest members, John Bautista and Justin Peddle, both of whom are representing CSHP. I look forward to working with you both this year.

At the time this report was prepared; the committee has promoted and/or supported the following continuing education programs:

- Trying to keep ahead of lice: A Clinical Update (1.0 CEUs) 07 SEPT 06 – St. John's

The committee continues to utilize alternate methods of delivery for CE programs. Webcasts are delivered by Dalhousie University and uses Internet access and the telephone to deliver programs directly to computers at home or at work.

On behalf of the committee, we would like to thank those pharmacists who took the time to share their knowledge and experience with us. Thank you to our industry partners who over the past year have helped to make these continuing education events possible.

Jennifer Donnan, BScPharm, Co-Chair
Rod C. Forsey, BSc.(Pharmacy), PhC. Co-Chair
