

Website Committee Annual report – 2006-2007
Submitted : September 2008
www.cshp-nl.com

The contents of the website this year included branch news, announcements and advertisements for branch events. It also includes archived items such as minutes from previous years AGM's and the branch manual. Other activities this year included contacting members with announcements and information about branch activities through e-mail and updating the e-mail contact list as provided by the CSHP national office.

From October 2007 to August 2007, the website had 721 visits per month. The pages hit most consistently each month was the homepage and the file "2006 Report on the Critical Hospital Pharmacist Shortage in Newfoundland".

Operating costs this year were :
Service Provider Fee (from Readyhosting.com) – cost : \$113.53

I would like to extend special thanks to Kirsty Phillips from CSHP National for helping me to maintain the website this year. I provide Kirsty with the items to post on the site and she does the formatting and uploading to the site. This is a great help.

Please feel free to contact me if you have any comments or ideas to improve the site.

Respectfully,

Dave Smith
