

**CSHP / SANDOZ
PHARMACY 500X CLINICAL EXCELLENCE AWARD**

Purpose

The purpose of this award is to recognize excellence in patient focused care by pharmacy students during Pharmacy 500X clinical rotations. CSHP Newfoundland and Labrador Branch values the contribution of our new practitioners in enhancing the quality of care that we deliver to patients. CSHP also recognizes the vital role that our new practitioners play as champions for advanced scope of practice as we strive to provide the best quality patient care possible.

Award Description

This award will be given yearly to a CSHP student member currently enrolled in Pharmacy 500X who demonstrates clinical excellence during both rotations. The award will consist of a complementary CSHP membership registration for the upcoming membership year as well as a cash prize to which the total of both will equal \$ 250.00.

Selection Criteria

Eligible candidates must be student members of CSHP NL Branch and currently enrolled in Pharmacy 500X. Their performance during both clinical rotations should be considered to be beyond the expected level for a final year student. In addition, preference will be given to those individuals who express an interest in pursuing a career in hospital pharmacy practice.

Selection Process

As Memorial University School of Pharmacy clinical faculty oversee all aspects of Pharmacy 500X activities for each student, selection of the award recipient is entrusted to the faculty. The Pharmacy 500X coordinator assumes responsibility for notifying the Awards Chair, CSHP Newfoundland and Labrador Branch with the name of the award recipient. The selection process will occur shortly after completion of clinical rotations in Pharmacy 500X.

Award Presentation

The award will be presented upon completion of Pharmacy 500X at the students' graduation ceremony. The name of the recipient will also be announced at CSHP NL Branch Annual General Meeting.
